If it's not your turn yet or appointments are not available, you can register to be notified when you're eligible or when appointments open up.

## Vaccines are Free

The COVID-19 vaccines are free for all Californians regardless of immigration status.

## Protection from COVID-19

The vaccines protect you from severe COVID-19 illness by teaching your immune system how to recognize and fight the virus that causes COVID-19.

## Vaccines are Safe

None of these vaccines contain the live virus that causes COVID-19. This means that these vaccines cannot make you sick with COVID-19.

The vaccines were tested with thousands of people of different ages, races, and ethnicities to make sure they are safe and effective.

## Authorized Vaccines

NAME OF VACCINE	HOW MANY SHOTS?	AGE
Pfizer-BioNTech	2 shots, 21 days apart	16+
Moderna	2 shots, 28 days apart	18+
Johnson & Johnson/Janssen	1 shot	18+

# What you should know

## What to know about your appointment:

All COVID-19 vaccines are free regardless of immigration status or insurance

Your privacy is protected when you take a COVID-19 vaccine

If you have a high-risk medical condition or disability

- You do not need to bring proof of your medical condition or disability
- You will be asked to sign a self-attestation, or sworn statement, declaring you meet the criteria

## What happens after getting the vaccine:

You will get a COVID-19 Vaccination Record Card. If you need a second shot, bring this card.

Some people may have mild fever, sore muscles, or feel tired for a day or two. This is normal.

If the vaccine requires two shots, be sure to get both doses.

You should continue to wear a mask and social distance.
